Professional Experience

Certified Software Programmer (CSP) - Technical Training & Project Portfolio 06/2024 – Present
Internship

- **Organization - Institute of Advance Network Technology, Ahmedabad**
- **Skills - Programming, Data Structures & Algorithms (DSA), Web Development (HTML/CSS/JS/PHP), Database Management (SQL), Software Development Life Cycle (SDLC)**
- **C/C++ and Python Programming** - Engineered and optimized {50+} foundational algorithms and data structures (e.g., linked lists, sorting, searching) using **C++ and Python** to solve complex problem sets, demonstrating core programming proficiency.
- **Debugging & Testing** - Implemented robust debugging and error-handling techniques across 10+ simulated projects, improving code reliability and reducing application crash rates by an estimated time.
- **Object-Oriented Programming (OOP)** - Applied core Object-Oriented Programming (OOP) principles (Inheritance, Polymorphism, Encapsulation) in **C++ and Python** to develop modular, reusable code for large-scale applications.
- **Web Technology (HTML, CSS, JavaScript)** - Developed the front-end structure and interactive features for 3 major web projects using **HTML5, CSS3, and JavaScript**, focusing on responsive design and user experience (UX).

- **Database Management (SQL)** - Designed and managed relational databases using **SQL** for project back-ends, optimizing query performance for data retrieval in high-volume scenarios.
- **Full-Stack Concepts (PHP, Frameworks)** - Executed back-end logic and server-side scripting using **PHP** (and potentially a framework like Laravel or CodeIgniter) to establish secure user authentication and data processing flows.

- **Tools & Technologies Used :**
- **Microsoft Excel :** VLOOKUP, Pivot Tables, Conditional Formatting, Data Filtering, Charts, many more
- **Email Platforms :** Outlook, Gmail
- **Documentation :** Word, Zip file, Google Docs, PDF tools
- **Other Tools :** VS code

Education

Secondery and Higher secondery school Certificate, 03/2024
Vidhyanagar High School Ahmedabad

Languages

- English
- Hindi
- Gujarati

Certificates

- C. C. C - Perfect Computer Education (March - 2021)
- Tally B.A - Perfect Computer Education (June - 2024)
